On the first page as displayed below, enter the provided code and click “Apply Now”

The screenshot shows the Cambodia E Visa application website. At the top, there is a navigation bar with links for Home, About, Application, Latest news, Check & Change, Contact Us, FAQ, and Live Chat. The main header features the 'e.visa' logo and the text 'Kingdom of Cambodia'. A language dropdown menu is set to 'English'. Below the header, a progress bar indicates five steps: 1. SECURITY (highlighted), 2. APPLICATION, 3. REVIEW, 4. PAYMENT, and 5. COMPLETE. The 'Security' step is active, displaying a captcha challenge with the text 'of UYQX' and a corresponding input field labeled 'captcha'. At the bottom of the page, there are 'Home' and 'Apply Now' buttons.

Once you’ve clicked apply now, you will be presented with the below page. On this page, you will need to upload a copy of the photo page of your passport. To complete this step, you will need to have a jpg or png photo file of the picture page of your passport stored on your computer. Once you click Attach Passport it will direct you to find the folder on your computer, containing the photo.

After you’ve clicked “Attach Passport”, it should show you a picture of your full passport photo page, along with a thumbnail of your face photo from the passport, and it should also automatically fill in many of the fields on the form such as Surname, Given Names, Gender, Date of Birth, Passport number, issue and expiration date.

You should be left with just a few remaining fields to complete, including the Address During Visit, for which you should enter the following:

Sofitel Angkor Phokeethra Resort  
Vithei Charles De Gaulle  
Siem Reap, Cambodia

You will also be asked to upload either your “Hotel Reservation Document” or “Other” document. Please save the PDF statement we have linked below to your computer, then upload that document to the “Other” document field.
